# Malaysian Institute of Medical Laboratory Sciences

## Regulations on the Admission of Classes of Membership

(This regulation should be read in conjunction to the Memorandum and Articles of Associations of the Malaysian Institute of Medical Laboratory Sciences)

### A. Member ( Article 4 )

1. Application for Member shall be made to the Council in a prescribed form provided by the Institute.
2. The applicant shall be duly proposed and seconded by Fellows/Members of the Institute
3. The applicant shall have satisfied the Council that he is a fit and proper person in respect of his character and qualifications as follows:
  - i. he has not been found guilty of any criminal offence within 3 years preceding his application as a Member of the Institute;
  - ii. has obtained any of the following qualifications
    - Bachelor's Degree in Medical Laboratory Technology / Medical Laboratory Sciences / Biomedical Sciences / Clinical Laboratory Science / Other Medical Laboratory Science related qualifications; or
    - Diploma in Medical Laboratory Technology; or
    - Other qualifications which the Council deem to be equivalent.
4. The Council notwithstanding the above may exempt any person currently a practitioner of Medical Laboratory Sciences from the above qualification, by virtue of his experience and/or contribution to Medical Laboratory Sciences.

### B. Fellow ( Article 5 )

1. Application to be Fellow of the Institute shall be made to Council in a prescribed form provided by the Institute.
2. The applicant shall be a Member of good standing not less than 12 months preceding the application for Fellow;
3. The applicant shall fulfilled the following qualification:
  - i. obtained a Masters degree in any discipline related to medical laboratory sciences acceptable by the Council; and
  - ii. submitted a thesis pertaining to medical laboratory sciences which shows evidence of originality acceptable by the Council; or
  - iii. submitted a resume of collated publications on medical laboratory sciences of a standard acceptable by the Council; or
  - iv. pass the prescribed examination conducted by the Institute.

### C. Affiliate ( Article 6 )

1. The Council shall make grant for the admission of Affiliate member. Application to be an Affiliate member shall be opened to persons who do not possess the necessary qualifications of a member.
2. Application to be an Affiliate member shall be made to the Council in a prescribed form provided by the Institute.
3. The application shall be duly proposed and seconded by Fellow/Member of the Institute.
4. The applicant shall have satisfied the Council that he is a fit and proper person in respect of his character and that he has not been found guilty of any criminal offence within 3 years preceding his application.
5. An Affiliate member of the Institute shall be entitled to:
  - be present at the annual general meeting or extraordinary general meeting of the Institute but shall have no right to vote at such meeting
  - be appointed to any committee formed by the Council

### D. Registered Student ( Article 11 )

1. Application to be a Registered Student shall be made to the Council in a prescribed form provided by the Institute;
2. He shall, at the time of application, be an enrolled full time student of Medical Laboratory Technology, Medical Laboratory Sciences, Biomedical Sciences and other Medical Laboratory Science related courses in an Institute recognized by the Council;
3. A Registered Student shall automatically cease to be a Registered Student of the Institute on passing the final qualifying examination or when he is no longer a bona fide full time student;
4. It shall be the responsibility of a Registered Student to inform the Council as soon as he has passed the qualifying examination or ceased to be a student;
5. A Registered Student shall be entitled to be present at the annual general meeting or extraordinary general meeting of the Institute but shall have no right to vote at such meeting.
