I. Abstract Preparation for Poster Presentation

The 43rd Annual Conference of Medical Technologist of Thailand (ACMTT) and the 6th Congress of Asia Association of Medical Laboratory Scientists (AAMLS 2019) welcome abstract submission in the field of medical laboratory science. All submitted abstracts will go through a peer-review process carried out by a review panel. All accepted abstracts will be published in a supplement issue of the Journal of Medical Technologist Association of Thailand (Volume 47 Supplement 1, 2019).

Applicants must register for the conference and submit your abstract. The two processes can be carried out in parallel. The deadline for abstract submission is **March 15, 2019**. Authors will be notified regarding abstract acceptances by **March 31, 2019**.

Prepare a Microsoft Word file of your abstract using the format provided.

The title of the abstract should include significant words that reflect the content of the abstract but not refer to the study results or conclusions.

Complete contact information for each author should be provided in a form of the author name, affiliation, country, and e-mail address. Mailing addresses, academic degrees and professional positions such as Head of Department, Dean, President etc. must NOT be mentioned.

The corresponding author should be clearly identified (in case of multiple authors) with an asterisk (*).

Abstract should be structured to include the following **4 sections**:

- Background Provide research question or rationale of the study
- Materials/Methods: Describe pertinent methodological procedures
- Results: Summary of the significant findings
- Discussion and conclusion: Critical point to discuss and the main conclusion of the study

Each abstract must be accompanied by 3-5 keywords.

The abstracts should not exceed 350 words prepared in **English** using Times New Roman 12 point. Submit your abstract via the website www.amtt.org. For any inquiries, please contact
